

Point Grey Turf Field

Rules for Games and Practice times:

-a maximum of 3 coaches and subs are permitted on the sidelines and all others are to be in the stands or outside the fencing except on an emergency basis (i.e. potential injury).
NO SPECTATORS ON THE TRACK OR ON SIDELINES DURING GAME OR PRACTICES!!

-you may use team benches but **NO TENTS OR CANOPIES** unless you maintain 9 meters clearance from the side line. These tents or canopies **MUST NOT SIT ON TRACK SURFACE**. Do not place your bench in front of the spectator stands. Move team benches down closer to either end zone so you don't block the view from the stands.

- **Only** water is allowed on the field. Juices, energy drinks, food, etc. must be kept and consumed off the field.

-the goal posts can now be stored in the end zone at the end of the field. Please ensure they are pushed right up against the fence. Corner flags are to be stored in the two metal boxes at each end of the field. Please make sure you lock them when you leave. We are no longer locking the 4 goal posts which belong to the youth soccer clubs.

-teams are responsible to ensure that their and their opponent's areas are clean and neat after each game. Please pick up all your litter and any other litter you see, garbage cans located next to spectator stands.

-if you are having difficulty with parents or spectators not following your instructions or need Dunbar executive to help educate parents, let us know.
